11:35 PM **me**: afraid not
although pete did come by
11:36 PM I banned him more thoroughly this time
11:37 PM I think he was involved, though, because he lied to me abut whether he was with Peck earlier in the evening
among other things
11:38 PM I'm pretty sure the cards got ditched, though
jen: ya, i heard the video game/niece window convo this morning
ya
me: I'm sorry
jen: they're gone
whatever
=)
shit happens
11:39 PM **me**: we just gave him some of his stuff back so he would be more likely to stay away
11:40 PM **jen**: thanks for your help =)
11:44 PM I'm sleepy and going to bed soon.
Glenn and I watched burn after reading
i fixed my hard drive of movies!
and I'm fixing the iphone
me: good, movies
jen: lots of movies
me: gonna sell it still?
jen: yes!
11:45 PM but it will be working and fully functional (and unlocked)
i'm gonna unlock mine too i guess and switch from att expensiveness
11:46 PM Austin, my roommate wants me to partner with him buying and refurbishing electronics
on craigslist
he's pretty creative

5 minutes

11:52 PM **me**: you should do that, it would probably work out
there's a lot of money to be made in the whole craiglist/ebay mercantile axis
11:54 PM **jen**: my internet sucks!

49 minutes

12:44 AM **jen**: good night. sleep well =)

15 minutes
